can sustain me through all kinds of battles and strife. He said: "Take it easy and drive nice and slow on the way to Elkdale. I wouldn't want the best friend I'll ever have to have an accident." I am almost always rendered mute by such statements. I did, nonetheless, state: "Yes, I'll drive carefully. Don't worry." When I returned here I had something to eat and then took to my bed and rested. At 7:15 AM this morning I was awakened by a phone call -- Lakeland High School. Could I substitute for Mrs. Gwen Doud, the Spanish teacher, for today? SRP: "Yes, Yes I can. At what time shall I report to the school." Lakeland H.S. female voice: "8:30." Whoever the woman was who called, she called me Bob. Well, I must say that I am delighted to have gotten the call. The day was a complete success, and me voilà launched on my substitute teaching career. The "papers" from the day are shown herebelow:
